

법 제2조제3호가목에 해당하는 향정신성의약품(제2조제3항 관련)

법 제2조제3호가목에 해당하는 향정신성의약품은 다음의 것과 그 염 및 이성체(異性體) 또는 이성체의 염으로 한다.

| 구분 | 품명                                                                      | 화학명 또는 구조식                                                                  |
|----|-------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| 1  | 디메톡시브로모암페타민<br>(Dimethoxybromoamphetamine)                              | 1-(4-bromo-2,5-dimethoxyphenyl)-2-propanamine                               |
| 2  | 2,5-디메톡시암페타민<br>(2,5-Dimethoxyamphetamine, 2,5-DMA)                     | 1-(2,5-dimethoxyphenyl)-2-propanamine                                       |
| 3  | 4-메톡시암페타민<br>(4-Methoxyamphetamine, PMA)                                | 1-(4-methoxyphenyl)-2-propanamine                                           |
| 4  | 5-메톡시-3,4-메틸렌디옥시암페타민<br>(5-Methoxy-3,4-methylenedioxyamphetamine, MMDA) | 1-(7-methoxy-1,3-benzodioxol-5-yl)-2-propanamine                            |
| 5  | 4-메틸-2,5-디메톡시암페타민<br>(4-Methyl-2,5-dimethoxyamphetamine, STP, DOM)      | 1-(2,5-dimethoxy-4-methylphenyl)-2-propanamine                              |
| 6  | 3,4-메틸렌디옥시암페타민<br>(3,4-Methylenedioxyamphetamine, MDA)                  | 1-(1,3-benzodioxol-5-yl)-2-propanamine                                      |
| 7  | 3,4,5-트리메톡시암페타민<br>(3,4,5-trimethoxyamphetamine, TMA)                   | 1-(3,4,5-trimethoxyphenyl)-2-propanamine                                    |
| 8  | 부포테닌(Bufotenine)                                                        | 3-[2-(dimethylamino)ethyl]-1H-indol-5-ol                                    |
| 9  | 디에틸트립타민(Diethyltryptamine, DET)                                         | N,N-diethyl-2-(1H-indol-3-yl)ethanamine                                     |
| 10 | 디메틸트립타민(Dimethyltryptamine, DMT)                                        | 2-(1H-indol-3-yl)-N,N-dimethylethamine                                      |
| 11 | 디메틸헵틸피란(Dimethylheptylpyran, DMHP)                                      | 6,6,9-trimethyl-3-(3-methyl-2-octanyl)-7,8,9,10-tetrahydro-6H-benzo[c]chrom |

|                                                                                     |                                                                                                                                                                                                                                                                    | en-1-ol                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |      |   |                                                                                     |                                                                                                                                                                                                                                                                    |
